2 We cannot guarantee the results of mini-blind cleaning. Excessive build up may require ultra-sonic mini-blind cleaning (available upon request).

3 Please allow for some dust resettlement after we leave specially in homes with heavy dust build up, we try to limit the dust in the air but cannot prevent this entirely. More in our info sheet, "*Dust's Dirty Secret*".

4 We cannot move furniture, but we will try to reach any visible places either by hand or with an extension duster.

*We try our best to work with "booby traps", like balanced electronics on top of TV's, delicate and/or super glued knickknacks, old chandeliers, loose nailed frames, wobbly/broken table leg, blinds not properly hung or old blinds which may cause a string, wand, or blind to break, but will not accept responsibility for breakage or damage to poorly secured objects in your home. Let us know if you would prefer us skip any of these items instead.
